### SPRING CONTAINER DESIGNS

*These pictures are representative of Chalet's spring container designs, just one of the areas our Specialty Garden Service experts can create for you. Containers are created at your home, using your pots, after learning about your preferences and how you use your garden areas.*

Chalet's Specialty Garden Services people also design and maintain your garden beds. For more information, please call Renee or Laura at Chalet: **847.688.0561**.
